

NEWS

SICA Nucléaire is proud to be accompanied by Marc NEVCHEHERLIAN, director of this company. He knows how to positively develop his employees over the years and events. Thanks !

- To comply with the health situation, our audits are also carried out by video.
- Games based on RCC-E and safety culture are available for purchase. Within this period, it is recommended to progress with fun.
- The WNE 2020 event is postponed to end 2021. It is up to us to go on complying with safety distances and security measures to enable meeting there!
- A nice ecological trend is here! We decided to switch and buy our first hybrid job car, hoping to implement a positive move for our planet.
- As partner of Provence Rugby, we built a supporting video. You can see it on our LinkedIn page!

A last good news wishing you a nice end of the year: our 2021 training agenda is available!
